POSTMEN IN THE MOUNTAINS

Set against a gorgeous Chinese landscape, this is the moving story of an aging postman who takes his estranged son along his grueling mountain route. This trip, the father's last and son's first, provides a tenuous bridge between the two, and an emotional link between the past and future. www.shadowdistribution.com

FIRST DESCENT: THE STORY OF THE SNOWBOARD REVOLUTION

Follow five snowboarding icons (Shaun White, Hannah Teter, Terje Haakonsen, Shawn Farmer and Nick Perata) on this epic Alaskan journey as they ride the most challenging and dangerous mountains on the planet. Featuring some of the most jaw-dropping snowboard footage ever caught on film, this incredible motion picture tracks the rebellious, inspiring and sometimes controversial evolution of snowboarding from an underground American movement to a full-fledged global phenomenon. www.firstdescentmovie.com
