X-WING

POWER. FLOATATION. PRECISION.

"So core, they're made of liquid hot magma."
—CODY TOWNSEND

"Overall, this is the most versatile line of skis I've ever experienced. With tools like these, it's a great time to be a skier."
—REGGIE CRIST

"Having skied from the summits of thirty 14,000 foot peaks on the X-Wing Fury, I can comfortably say that these skis rule!"
—CHRIS DAVENPORT

"The Sandstorm is the best all-mountain ski for charging all day long. It really does everything."
—JAMEY PARKS

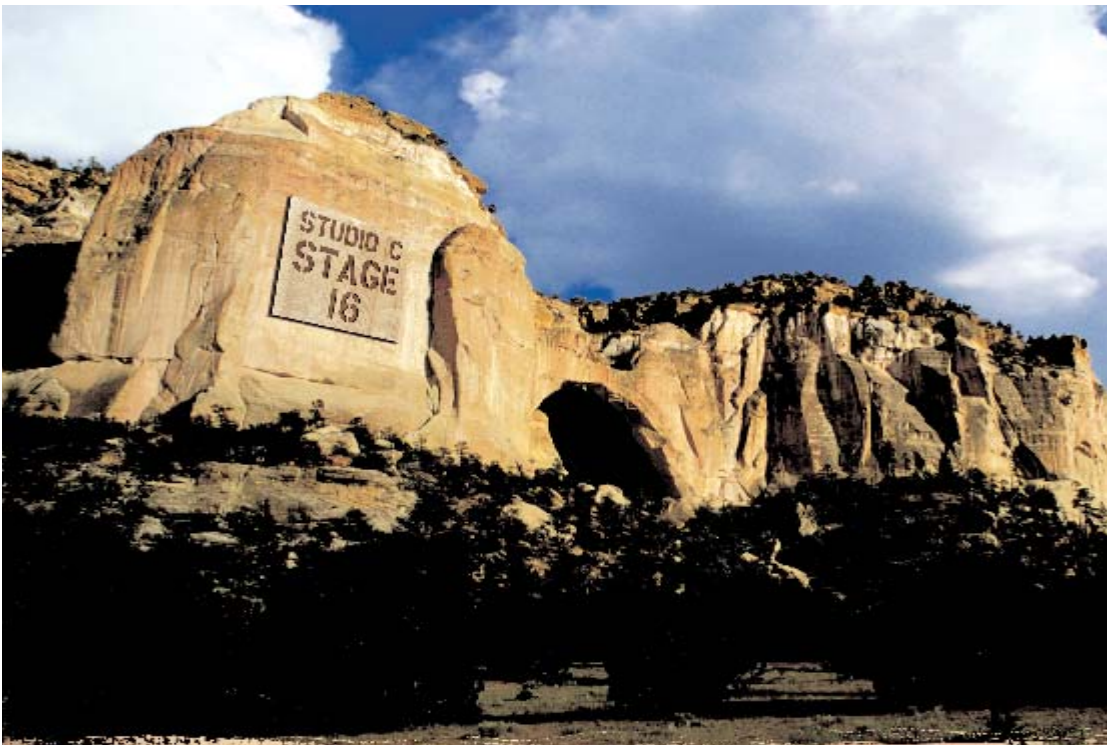

"The Fury has the power of a race ski with the surface area of an all-mountain ripper."
—REGGIE CRIST

"The Sandstorm is my everyday ski. Finally, a wide body ski that holds on hard snow."
—ZACH CRIST
